## GIN LOUNGE £9.95

Ventana Grand Café's special selection of award winning top shelf double measure gins. All served with artisan tonic waters of your choice and botanicals, the perfect G&Ts.

**BROOKLYN 40%** Hand crafted in New York using only 100% fresh citrus peels and hand-cracked Juniper. It's fresh, complex and flavourful.

**TANQUERAY 10 47.3%** An incredible small batch London dry gin made in pot still number 10. Citrusy & full bodied.

**CONKER DORSET DRY 40%** Distilled in Southbourne, Bournemouth using British wheat spirit, New Forest spring water, 10 botanicals, including some rather distinctively Dorset inspired botanicals.

**WARNER'S RASPBERRY 40%** Bursting with raspberries, blackberries and joy. Inspired by our home on Falls Farm, this pink gin has been crafted to embody the bounty of the British countryside, with fresh raspberry and blackberry juice in every bottle and hand-picked elderflower from our farm hedgerows.

**WARNER'S RHUBARB 40%** Fresh, tangy rhubarb explodes on the nose with a pinch of black pepper. The palate gives complex and mouth watering rhubarb with cardamom and sweet orange. Rhubarb returns with cinnamon for a long, sweet finish.

**MERMAID 42%** A smooth yet complex blend of fresh organic lemon zest, the peppery notes in grains of paradise and a hint of sea air from fragrant rock samphire.

**THE BOTANIST 46%** A progressive exploration of the botanical heritage of the Isle of Islay. 22 hand foraged local botanicals delicately augment 9 berries, barks, seeds and peels during an achingly slow distillation.

**HENDRICK'S 41.4%** It features the likes of Juniper, Cubeb Berries, Elderflower, Chamomile, Angelica, Lemon Peel, Orange Peel, Coriander, Yarrow and Orris, alongside an infusion of Cucumber and Rose Petal.

**WILLIAMS ELEGANT 48%** This is distilled from Organic Apples and has a lovely crisp, fruity flavour.

**BATHTUB 43.3%** An extraordinary gin, lightly tinted by the botanicals, and with a flavour which is both bold, and perfumed all at once.

**SALCOMBE 44.0%** Made with thirteen botanicals including Macedonian juniper, fresh lemon, lime and red grapefruit peels, cardamom, liquorice, cinnamon bark, chamomile, coriander seeds and cubeb berries. The inspiration for the gin comes from the Salcombe 'fruiters' that brought exotic fruit into Devon from the Azores, West Indies and Mediterranean in the 19th century

**MONKEY 47%** An unusual gin from the Black Forest in Germany, Monkey 47 contains a unique ingredient: Lingonberries! The 47 comes from the number of botanicals that go into this unique gin, and the fact it's bottled at a healthy 47%. It seems that the botanicals speak for themselves, as the gin has received bucketfuls of critical acclaim. Some say less is more, not for Monkey 47!
